

Volunteer Role Description

About Abbey Community Centre

We're an award-winning small community charity established since 1976 helping local people of all ages to come together to enjoy their lives and where they live more by doing so.

We provide a safe and welcoming venue alongside numerous social groups, activities, services, and special events in which the community can develop meaningful social connections and friendships. Local residents access our centre to enjoy socialising; services for their children; to pursue and expand their interests and hobbies; increase their confidence, skills and opportunities; improve their health, fitness and wellbeing; get information or advice; or volunteer to help make their community an even better place to live.

Local people greatly value the centre and it's a fun place to volunteer, especially if you thrive on variety and being kept busy!
